UNA NUEVA COLECCIÓN DE ILUMINACIÓN

CASTAN ILUMINACIÓN, la empresa fundada en Barcelona en 1979, crea GLOBE, una línea de luminarias basadas en el diseño escandinavo de los años 50, caracterizado por

las formas simples, el stylisation, minimalismo y funcionalidad. GLOBE es una línea de tradición artesanal que evoca una estética del pasado actualizada con detalles modernos, consiguiendo un resul-

tado atemporal.

Todos los modelos se ofrecen en múltiples acabados, con la opción de personalizarlos bajo pedido. Se utilizan materiales como aluminio, cobre y latón pulido de acabado sin tratar y efecto vintage.

La colección está compuesta por una amplia gama de modelos hechos a mano que reflejan la tendencia actual dentro del diseño internacional.

Ideal para la iluminación de restaurantes, hoteles, tiendas y viviendas donde el diseño adquiere un gran protagonismo.

Se ofrecen varias opciones de lámpara según la aplicación, todas con portalámparas E27, desde halógena hasta las últimas soluciones en iluminación LED.

A NEW LIGHTING COLLECTION

CASTAN LIGHTING, the firm founded in Barcelona in 1979, has created GLOBE: a new line inspired by Scandinavian design that emerged during the 1950's, based on the simplicity of form, stylisation, minimalism and functionality.

GLOBE is a line that follows artisan tradition evoking shapes from the past, made current in the details, to achieve a result of timeless aesthetic. All the designs in the collection come in several finish options, with the possibility to customize on demand.

Materials used are aluminium, copper and polished brass untreated for a more vintage effect.

The collection consists of a range of hand made lamps that reflect contemporary trends in international design. Intended for the lighting of restaurants, hotels, stores and household; spaces where design is relevant.

The lamp options are according to usage, all with E27 socket, from halogen to the latest LED solutions in lighting.
